The background of the sign-in screen features a dark blue space-themed illustration with a large moon, a rocket, and various celestial symbols like stars and planets.

5. Sign in again in the browser

A screenshot of the GitHub Enterprise sign-in dialog. The dialog is a light gray rounded rectangle centered on a white background. At the top, it says "GitHub Enterprise" in a large, bold, black font. Below that, in a smaller font, it says "Sign in to GitHub Enterprise to continue to GitHub Desktop". There is a horizontal line separating the header from the input fields. The first field is labeled "Username" and contains the text "example.email@bhasvic.ac.uk". The second field is labeled "Password" and contains a series of dots, indicating a password. Below the password field is a green button with the text "Sign in" in white.

6. Select to open GitHub desktop

Open GitHubDesktop.exe?

<https://csgit.bhasvic.ac.uk> wants to open this application.

☐ Always allow csgit.bhasvic.ac.uk to open links of this type in the associated app

Open GitHubDesktop.exe

Cancel

7. Check the details shown are correct

Configure Git

This is used to identify the commits you create. Anyone will be able to see this information if you publish commits.
